BANGLADESH–CHINA PARTNERSHIP AND A DECADE OF BELT AND ROAD COOPERATION

The historical relationship between Bengal and China is deeply rooted in centuries of trade, cultural exchange, and diplomatic engagement. Historical chronicles from the 14th and 15th centuries record the exchange of official trade missions between the two regions, symbolizing early economic diplomacy. The first documented mission from Bengal to China took place in 1404 during the reign of the independent Sultanate of Bengal, followed by the reciprocal Chinese mission to Bengal in 1412. These early interactions laid the foundation for a relationship based on mutual respect, cooperation, and shared prosperity.

Drawing inspiration from this enduring legacy, the Bangladesh China Chamber of Commerce & Industry (BCCCI) was established in 2003 as the country's premier bilateral trade chamber dedicated exclusively to promoting trade, investment, and industrial cooperation between Bangladesh and China. Since its inception, BCCCI has played a pivotal role in facilitating dialogue between public and private sector stakeholders, strengthening institutional linkages, and advancing mutually beneficial economic engagement between the two friendly nations.

The year 2026 marks the 10th anniversary of Bangladesh's formal involvement in China's Belt and Road Initiative (BRI)-a landmark global development and connectivity framework aimed at fostering infrastructure development, trade facilitation, industrial cooperation, and people-to-people connectivity. Over the past decade, Bangladesh has emerged as one of the most important BRI partner countries in South Asia, leveraging the Initiative to accelerate its national development priorities.

Under the BRI framework, Bangladesh has witnessed transformative cooperation with China in key sectors such as transport and logistics, energy and power generation, industrial capacity development, digital connectivity, and urban infrastructure. Major flagship projects-including bridges, power plants, industrial parks, and communication networks-stand as tangible outcomes of this strategic partnership and reflect China's long-term commitment to Bangladesh's socio-economic development. The Padma Bridge project, among others, remains a powerful symbol of this cooperation and shared vision for connectivity-driven growth. In alignment with the evolving priorities of BRI's second decade-emphasizing quality growth, green development, innovation, and inclusive prosperity-BCCCI remains committed to expanding cooperation into emerging sectors such as renewable energy, smart manufacturing, logistics hubs, digital economy, agriculture and agro-processing, healthcare, and human resource development.

To advance informed engagement, BCCCI regularly publishes policy-relevant journals, newsletters, and analytical reports on bilateral trade and investment trends. The Chamber also organizes seminars, symposiums, business forums, and consultative meetings, while disseminating timely information on regulatory frameworks, trade policies, foreign exchange regulations, and investment procedures relevant to exporters, importers, and investors of both countries.

孟加拉国 - 中国伙伴关系及"一带一路"合作十年回顾

孟加拉国与中国的历史渊源可追溯至数个世纪的贸易、文化交流和外交往来之中。14 世纪和 15 世纪的历史记载中记录了两地之间官方贸易使团的往来，这标志着早期的经济外交。孟加拉首次向中国派遣的官方使团是在 1404 年，当时孟加拉国是个独立的苏丹国统治时期，随后中国也在 1412 年对孟加拉进行了回访。这些早期的交流为基于相互尊重、合作和共同繁荣的关系奠定了基础。

受到这一悠久历史的启发，孟中工商会（BCCCI）于 2003 年成立，成为该国唯一的双边贸易商会，专门致力于促进孟加拉国与中国的贸易、投资和工业合作。自成立以来，BCCCI 在促进公共和私营部门利益相关者之间的对话、加强了机构联系以及推动这两个友好国家之间的互利经济合作方面发挥了关键作用。

2026 年是孟加拉国正式参与中国“一带一路”倡议的十周年。这一全球性的发展与互联互通框架旨在促进基础设施建设、贸易便利化、产业合作以及人与人之间的交流。在过去十年里，孟加拉国已成为南亚地区参与“一带一路”倡议最重要的国家之一，通过该倡议加快了孟加拉国优先项目发展步伐。

在“一带一路”倡议的框架下，孟加拉国与中国在交通物流、能源发电、工业产能发展、数字互联以及城市基础设施等关键领域展开了具有变革意义的合作。包括桥梁、发电厂、工业园区和通信网络在内的众多重点项目成为了这一战略伙伴关系的切实成果，也体现了中国对孟加拉国社会经济发展长期的承诺。其中的帕德玛大桥项目等，依然是这种合作以及以互联互通推动增长的共同愿景的有力象征。随着“一带一路”倡议第二个十年不断变化的发展重点——强调高质量增长、绿色发展、创新以及包容性繁荣——BCCCI 仍致力于将合作拓展至新兴领域，如可再生能源、智能制造业、物流枢纽、数字经济、农业及农产品加、医疗保健以及人力资源开发等。

为了促进信息交流，孟中工业商业协会定期出版与政策相关的期刊、通讯和分析报告，内容涵盖双边贸易和投资趋势。该商会还举办研讨会、专题讨论会、商业论坛和咨询会，并及时传播有关两国出口商、进口商和投资者所涉及的监管框架、贸易政策、外汇规定和投资程序等方面的信息

MESSAGE

I am delighted to learn that the Bangladesh China Chamber of Commerce & Industry (BCCCI) is publishing its Members' Directory for the year 2026. This initiative will strengthen communication among businesses and spotlight avenues for deeper economic engagement between Bangladesh and China.

Over the past decade, China has remained Bangladesh's one of the largest trade partner, with bilateral trade expanding significantly in recent years. In Fiscal Year 2024-2025, total trade between Bangladesh and China reached approximately USD 19.5 billion, with imports of machinery, industrial inputs and consumer goods continuing to dominate, while Bangladeshi exports to China including textiles and agricultural products are steadily increasing.

The recent national election in February 2026 brought a new BNP-led government assumes power, marking a major transition in Bangladesh's political landscape. Analysts anticipate that this political shift may reshape foreign policy priorities, including stronger economic ties with key partners like China. China's outreach to all major political parties in Bangladesh over the past year reflects this evolving relationship.

In this context, I believe BCCCI will continue to play an essential role in promoting bilateral trade and investment, encouraging business linkages and facilitating policy dialogue between the private sectors of both countries.

I would also like to extend my sincere appreciation to the Embassy of the People's Republic of China in Bangladesh and the Embassy of Bangladesh in the People's Republic of China for their ongoing support and collaboration with BCCCI, which has greatly contributed to the prosperity of trade and commerce between our two friendly nations.

I wish BCCCI every success in its endeavors to build deeper economic partnerships and greater prosperity for the business communities in both Bangladesh and China.

MESSAGE

I am delighted to know that Bangladesh China Chamber of Commerce & Industry (BCCCI) is going to publish the latest edition of its Members' Directory. On behalf of the Chinese Embassy in Bangladesh, I would like to thank BCCCI for its long-term commitment to strengthening China Bangladesh economic and trade cooperation and promoting the healthy and stable development of China Bangladesh relations.

China and Bangladesh share close historical relations, comparable national conditions, like minds in governance and well-connected national dreams. Since the establishment of China-Bangladesh diplomatic relations 50 years ago, the two sides have always trusted, respected, supported and helped each other, setting an example of friendly coexistence and win-win cooperation between countries. In March 2025, H.E. Professor Muhammad Yunus, Honorable Chief Adviser of the Interim Government of the People's Republic of Bangladesh attended the Boao Forum for Asia Annual Conference 2025 in Hainan, China, and then visited Beijing. The two sides had in-depth exchanges of views on bilateral relations and international and regional issues of mutual interest and reached extensive consensus. Under the strategic guidance of the leaders of both countries, China-Bangladesh relations have entered a fast track of high-quality development.

The cooperation on economy and trade serves as the pillar of bilateral relations. China has maintained Bangladesh's largest trading partner for 15 consecutive years. Since August, 2024, more than 30 Chinese companies have signed investment agreements with their Bangladeshi partners, with intended investments totaling nearly 1 billion US dollars, making China the largest investor since the formation of the interim government. This year marks the 10th anniversary of Bangladesh's participation in the Belt and Road Initiative. A good number of roads, bridges, power plants, ports and other infrastructure projects constructed by Chinese enterprises have been completed, reshaping the landscape of Bangladesh, providing a large number of job opportunities, promoting socio-economic development as well as people's livelihood in Bangladesh, and enhancing understanding and friendship between the two peoples.

Today, both China and Bangladesh are at a crucial stage of development and revitalization, with enormous potential for cooperation. China will, as always, go hand in hand with Bangladesh to deepen economic and trade cooperation, strengthen personnel exchanges and explore new growth points, so as to realizing our respective dreams and better benefiting the people of both countries.

China Country Profile
中国国家概况

China, officially the People's Republic of China (PRC), is a country in East Asia and the world's most populous country, with a population of around 1.4 billion. Covering approximately 9,600,000 square kilometers (3,700,000 sq mi), it is the third- or fourth-largest country by total area. Governed by the Communist Party of China, the state exercises jurisdiction over 22 provinces, five autonomous regions, four direct-controlled municipalities (Beijing, Tianjin, Shanghai, and Chongqing), and the special administrative regions of Hong Kong and Macau.

China emerged as one of the world's earliest civilizations, in the fertile basin of the Yellow River in the North China Plain. For millennia, China's political system was based on hereditary monarchies, or dynasties, beginning with the semi-legendary Xia dynasty in 21st century BCE. Since then, China has expanded, fractured, and re-unified numerous times. In the 3rd century BCE, the Qin reunited core China and established the first Chinese empire. The succeeding Han dynasty, which ruled from 206 BC until 220 AD, saw some of the most advanced technology at that time, including papermaking and the compass, along with agricultural and medical improvements. The invention of gunpowder and movable type in the Tang dynasty (618-907) and Northern Song (960-1127) completed the Four Great Inventions. Tang culture spread widely in Asia, as the new Silk Route brought traders to as far as Mesopotamia and Horn of Africa. Dynastic rule ended in 1912 with the Xinhai Revolution, when a republic replaced the Qing dynasty. The Chinese Civil War resulted in a division of territory in 1949, when the Communist Party of China established the People's Republic of China, a unitary one-party sovereign state on Mainland China, while the Kuomintang-led government retreated to the island of Taiwan. The political status of Taiwan remains disputed.

Since the introduction of economic reforms in 1978, China's economy has been one of the world's fastest-growing with annual growth rates consistently above 6 percent. According to the World Bank, China's GDP grew from $150 billion in 1978 to $12.24 trillion by 2017, Since 2010, China has been the world's second-largest economy by nominal GDP and since 2014, the largest economy in the world by purchasing power parity (PPP). China is also the world's largest exporter and second-largest importer of goods. China is a recognized nuclear weapons state and has the world's largest standing army and second-largest defense budget. The PRC is a permanent member of the United Nations Security Council as it replaced the ROC in 1971, as well as an active global partner of ASEAN Plus mechanism. China is also a leading member of numerous formal and informal multilateral organizations, including the Shanghai Cooperation Organization (SCO), WTO, APEC, BRICS, the BCIM, and the G20. In recent times, scholars have argued that it will soon be a world superpower, rivaling the United States.
